SEPTEMBER 19 – SINGING IN CHURCH - An email went out on Tuesday with information about which service your family should attend for the kids to sing. If your name is not on the list please contact the school office. Students will sit with their families during the service. When it is time for the students to sing, Pastor will call them to the front. The students will return to their families after they have finished singing.

Thank you for your attention to this matter! Looking forward to hearing the children praise God with their voices!!

PRINCIPAL'S PERSPECTIVE– During supper at our house we go around the table and tell the others what the best part of our day was. Naturally the answers vary with the person and the day. More often than not, we struggle to find just one bright spot in the day. One regular thing that occurs daily that is a true bright spot for me is getting my morning fist bumps from parents and students (and their younger siblings). It is a great way to say good morning and get the day off on the right foot. Every day at Eastside Lutheran we begin the day with prayer and devotion. This is like God giving us a little fist bump and telling us that he is going to guide and bless each of us. A daily dose of God's word is the true best part of every day. May God richly bless your day every day!

PAVING UPDATE - The parking lot paving project has begun. Please follow the plan that was sent about two weeks ago via email. If you have any questions, please contact the school office.

SCRIP- **Kwik Trip Scrip is 9% from now through Sept. 24th**. Everyone needs gas so grab yours today! The new app for your phone is taking over a lot of physical card needs. If you need help downloading it or have any questions, contact coordinator Trina Paske. Of course there are always cards available in the school office for immediate pick up. Kwik Trip is a great example of the ease in using the [Raise Right app](#). Reload right at the pump!

Also, **Thursday, Sept. 17th is ThankScriping Day!** You might be thinking what does that mean? It is a single day when many companies offer huge rebates up to 21% on gift cards. It is only available through the Raise Right App and only on Sept. 17th!

PICTURE DAY is coming up on Thursday, Oct. 7th. Mark your calendars!

POWER HOUR– Please join us this Friday, Sept. 17th from 9-10:30 as we enjoy activities with your infants, toddlers and preschoolers children and meet other parents and caregivers. The next couple upcoming dates are October 15th and November 19th. Hope to see you there! ****Please email Ms. Laich if you are interested in attending at mLaich@eastsidelutheran.org.**

 EASTSIDE LUTHERAN ART & CRAFT FAIR– As many of you know our Art and Craft Fair is back on this year and quickly approaching! The date is set for Saturday, **November 6, 2021** here at our school. Some of the areas we will be having at the Art & Craft Fair include craft vendors, gift basket raffle, book nook, cookies by the pound, and bakery items. This event will help raise money towards many items needed here at school and it's a great time for fellowship between church & school members. It's also a great way to get people into our facility to see what an awesome school we have.

There are a couple ways you can help out to make this a huge success.

- Sign up to volunteer to help out here:

GIFT BASKETS FOR THE ART & CRAFT FAIR– We need your help! We have decided to move ahead with this year's Eastside Art & Craft Fair on Sat., Nov. 6th but after a year like we just had, we are hesitant to solicit businesses for gift cards and donations for our gift basket area. Instead we are asking for those that have had a blessed year and would be willing to support us by donating a gift basket or financial donation, please sign up at the following link. [Basket Sign Up for Craft Fair 2021](#)
Sign up sheets are also posted outside the school office.
